

do that so slowly because my well of knowledge is most empty in nearly all areas, and I wish he would hurry up. But anyway, he'll be coming along with the amendment and, as he indicated, it's a grammatical change that will quite probably make it read just a little bit clearer and I would have no objection to the forthcoming Chambers amendment when it becomes forthcoming, which I see it coming forth down the aisle. So I would support this after the glowing introduction of the amendment. Thank you, Mr. Speaker.

SPEAKER BAACK: Thank you, Senator Coordsen. Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature, because the issue is one that is so serious, I don't want anybody to be able to look internally at the resolution and take something out of it that would detract from the aim. So I would ask the Clerk to read the amendment as drafted.

CLERK: Mr. President, the Chambers amendment reads, in the second "resolve" strike the "future" and after the word "returned" insert the words "in the future".

SENATOR CHAMBERS: And the way it would read then is all remains returned in the future from southeast Asia, and we would get away from that phrase "future remains". So I'm asking that you adopt this amendment.

SPEAKER BAACK: Any discussion on the Chambers amendment? Seeing none, do you wish to close, Senator Chambers? We will now vote on the Chambers amendment. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on the adoption of the Chambers amendment.

SPEAKER BAACK: The amendment is adopted. Nothing further on it. Is there any discussion? Seeing none, Senator Coordsen, do you wish to close? He waives closing. We will now vote on LR 25. All those in favor vote aye, opposed vote no. Have you all voted? Record, Mr. Clerk.

CLERK: 31 ayes, 0 nays, Mr. President, on adoption of LR 25.

SPEAKER BAACK: LR 25 is adopted. We'll now go to LR 74.
